Mr. Simon Mugabi

CEO

Uganda Badminton Association

Dear Mr. Mugabi,

It is with great sadness that we have learnt about the sudden and terrible demise of Mr. Shaban Nkuutu Muziransa, the President of the Uganda Badminton Association (UBA).

Mr. Shaban has been an exemplary leader of our sport in Uganda and he always had Badminton at his heart. He greatly contributed to the development of Badminton in Africa through his participations and interventions at different BCA meetings and committees. His disappearance is great loss for African Badminton.

On behalf of the Badminton Confederation Africa and the whole Badminton family in Africa, I would like to express our upmost condolences to his family, loved ones and UBA.

May his soul rest in peace.

Sincerely,

Michel T. BAU

President
